

Nautilus is an Erasmus+ SPORT project funded by the European Commission, which aims to address the challenges of the social inclusion of people with special abilities through sport, namely swimming. Within this project the consortium will produce a Guide of Good practices on the value of Sport, namely Swimming as a means of social inclusion of people with special abilities, which will be an open educational resource, free accessible and easily downloaded in four languages (EN, IT, EL, TR) from the Project's Website.

The European Commission support for the production of this publication does not constitute an endorsement of the contents which reflect the views only of Nautilus' Consortium and the European Commission cannot be held responsible for any use which may be made of the information contained herein.
